Bank Charges: Bank charges for operating your PRSA are in addition to the charges above. There is a charge of 1% for the first €6,000 of the fund value and 0% thereafter will be applied to accommodate the third party banking facility. These are charged quarterly.

Other Charges: Charges for investments made within the PRSA may be applied by third parties. The Contributor will be notified of these charges in advance by their Financial Broker. They are in addition to the charges above and will comply with PRSA legislation.

Charges will be deducted half yearly in advance on 31 March and 30 September. Quest Retirement Solutions Ltd will apply the corresponding fee based on the value of your PRSA fund at the valuation date. The first fee applied to a PRSA contract will include the fee from the start date of the contract (the date the Statement of Reasonable Projection is issued) to the next valuation date, and the following 6 month fee. No exit charges will apply. Please refer to the PDC for full details.

Property Purchase Charges: Quest Retirement Solutions will apply a once off administration fee where property is being bought through your PRSA. This fee relates solely to services provided by Quest and are not related to any third party fees including appointed solicitors. The fee applicable is 1% of the gross value of the property up to a maximum of €1,000.

The fee is VAT exempt and will be discharged from the pension. The fee may be levied regardless of whether the transaction completes (subject to regulatory restrictions). Please note that your Financial Broker may also apply a fee and this will be confirmed in the Property Investment Questionnaire that must be completed and submitted to Quest prior to any property purchase being facilitated.

Charges correct at date of going to print (29th August 2023).

We reserve the right to alter these fees in the future by appropriate notification.

Note to Financial Brokers:

As part of the setting up of a non-standard PRSA there is a requirement for a bank account. The beneficial owner of the PRSA decides what bank they want to use. We have pre-approved mandates with Bank of Ireland as Bank of Ireland has the capabilities to deal with the requirements of a self-directed pension. However it should be noted that your client is free to choose any bank they wish provided that the chosen bank can operate the account in the required compliant manner and can facilitate the processing of third party transactions. Please advise us of which bank your client has chosen by completing the appropriate mandate.

Please note that the provision of this product or service does not require licensing, authorisation or registration by the Central Bank and, as a result, it is not covered by the Central Bank's requirements designed to protect consumers or by a statutory compensation scheme.
